

NACCHO

Communicable Diseases

Bird flu is on Country

HANDS OFF.
EYES ON.
SING OUT.

What it looks like
Dead or dying.
Wobbly.
Circling. Can't
stand or fly.
Swollen head.
Runny eyes.
Breathing hard.

When to ring
One - seabird,
waterbird,
shorebird, eagle,
hawk, seal. Five
or more - any
other bird.
Chooks count.

**We know this Country.
We know when something's not right.**

HANDS OFF.

Don't touch sick or dead
birds or animals.

Keep the kids and the
dogs back too.

EYES ON.

Get a photo from a
distance, if it's right to
take one.

Note the place, the
day, how many.

SING OUT.

Your ranger group.
Your clinic.

Or the hotline, anytime,
day or night.

1800 675 888 Day or night
